My girlfriend has been hounding me to do some adult photos for her photographer friend with my husband. I'm not ready to do that and neither is my husband. But after enough prodding, I thought that maybe I could do a solo set without him. It turns out he was okay with it.

So we set up a photo shoot and here it is. I hope I don't look too nervous because by the end of it I was really liking it and I loved using my vibe to get off. Fun!

Wow, this day was exhausting. I spent almost an hour in make up, more than twenty minutes getting my wardrobe figured out and six hours in front of the camera. I never expected it to be so much work, but was it a good time. I didn't realize that the close ups were done separately. I thought they just blew up a picture to get close. Nope it's the camera. Loved it!

I never cum less than three times. It's just not worth the effort to cum less than that. So you've got a guy and a girl and they're fucking. Let's assume it's at night and in a warm cozy spot. Then why not cum more than one time.

Syren

The guy can cum only once if he wants or twice if he's good, but don't shortchange me. I want more. I expect to cum more than once because I can.

A man and a woman are shown in a sexual scene. The man is on top, leaning over the woman who is lying down. The man is shirtless and has a white condom in his hand. The woman is looking up at him. The background is a simple room with a bed and some furniture.

All my lovers call me a sex machine. That's because I can go all night and if the guy can't keep up with me that's his loss. I mean he's losing me the next time. I expect to cum many times and if he can't keep it up or keep it going, I'll find someone who can! Think I'm kidding?

50+ Editor;

Ever since my husband of thirty years started losing his libido, I took it as a personal mission to help him, and in doing so, help other men. There's a lot of talk, and television commercials, about erectile dysfunction, so I'm writing to your magazine because you cater to the crowd I now blog about. I write about sexual dysfunction and problems common to men over fifty and sixty. You, know the typical stuff about not getting erections, no stamina... stuff like that.

But surprisingly, I get a lot of comments about penis size. It's from men about feeling inadequate in the size of their penises. Most keep forgetting, or don't realize, that the average male penis is under six inches. The men you see in adult movies and photos are a rare breed, and if you ask the women they have fucked, most will tell you they find it more uncomfortable than pleasurable. If it's too big, then fellatio can become problematic because the woman can't get her mouth around much more than the head, let alone down her throat.

You guys rock and I was rolled!

I'm an old rocker whose heyday was the Sixties and Seventies. When I saw your magazine with Brittany on the cover I popped a rock. She reminded me of my old lady who left me five years ago telling me I was getting old. I told her I was just getting better, like wine, with age. Well, that didn't work, so I watched her drive away in my red pick up truck. A couple months later I'm out trying to drown my sorrows at a local club when she walked in with a girlfriend. Her hair is chopped up and colored just like your cover girl. I dropped my jaw and my wiener rose. They took a seat at the bar and she must not have seen me back in the corner. I watched as the two flirted and kissed on each other. When Lady in Red came on the jukebox, they went out and slow danced. That was our song. Now I have your magazine.

— The Blaster, NYC

Most of those men say they wished they were smaller so they could feel the sensations more of a mouth going further down on them. Many women say they can deal with vaginal intercourse with a wide cock, but it's the long ones that are most painful. The penis will hit the back of her vagina and rub (or pound) against the cervix wall. 'Ouch!' I say. Pleasurable anal sex is almost always out of the question for the normal woman. Porn stars get paid to take it in the butt and deal with the pain.

So if your woman says or hints that it's too small, experiment in different positions so her pussy will seem tighter. Use your fingers to start a penetration, then your penis will seem larger to her when it goes in. Put a finger in her, then insert your penis. The two elements will fill her and then withdraw a finger and proceed. (You could substitute a small toy for your finger instead.) Enhance her pleasure by keep yourself groomed down there. The ladies do appreciate it. You'd be surprised how much longer they will stay there than in a bushy mess. Believe me, you can

YES, I'M HOT.

Dear 50+,

It was mid-afternoon in the middle of the week and my husband was at work, or so I thought. I was lost in the feelings my little rocket was giving me and listening to it's soft buzz as I felt my climax begin. Suddenly the bedroom door opens and it's my husband looking for me. He started to say that he forgot some papers at home. He stops just inside the bedroom, eyes fixed on my naked bottom and the flesh-colored toy in my pussy.

I try to cover up but it was too late. He comes over to the bed and asks me what's going on. I tell him I was just taking a little break from the day. He forced a smile and sat on the edge next to me. Then came the words I wasn't anticipating.. "Don't I satisfy you? Am I doing something wrong that you need to masturbate? Is the sex not good? Can't I please you?" I felt like I shattered his ego.

Quickly I gathered myself and extended my arm to his thigh reassuring him that he was great. He then asked how often I did this and I confessed it was at

least three or four times a week. We didn't make love that often, but that was because he was always tired from work or wanted to catch a game on TV and then nods off.

He stands up and says he has to find his papers and get back to work. I stand up also and give him a hug and pinch his cock through his pants. I whisper that I'm not going to put panties on the rest of the day and he'll find me that way when he comes home. I give him a reassuring smile as he leaves. That night was one of the hottest we ever had, and it's all because he caught me jilling!

– Martha, Hartford

Hey old dudes,

I'm a woman that's recently come across your magazine. I never look at men's magazines, but when I saw **50+**, I had to pick one up. Actually, I asked a guy friend to buy it since I was too embarrassed, just as I am writing this letter. But I know a lot of older men see

this, so I want to add my two bits.

Ever since I was around twenty, I've been attracted to older men. I know it was because of a college professor I had a crush on (never did anything about it). He was very smart and had a confidence about him. When I talked to him or listened to him talk to someone else, one-on-one, he was soft-spoken and considerate. A total departure from the male students. Then I got into the working world and looked at the men in the office, they'd show up in nice suits. I'd imagine one of them whisking me away to some wonderful dinner or Broadway show (didn't happen).

In my late twenties, still unmarried, I started fantasizing about an older man, like you, in his fifties calling me up and inviting me over. We'd grab a bite to eat then head back to your place. You'd rub my shoulders and kiss my ear. Slowly we'd tease each other to the point of insanity and then the wild and earth shat-

tering sex would begin. I'd stroke your cock until you begged me to let you cum, and then we'd fuck in every room in your house. The shower is my favorite place. I'd see myself lying there in your bed, dripping in anticipation, and when you're done with me, I'd be craving more and more. Then I'd rub your head until you fell asleep.

Tell me guys, haven't you've had sexy fantasies of some younger hottie ravage you? But in reality, I'd probably die from the thought that it may actually occur. Maybe one or two of you older guys out there may someday run across someone like me. When you do, I hope it's me.

– Janie, Long Island

To the editor:

Two months ago I was in Las Vegas for the CES Show in January. My company was exhibiting a new medical imaging device that seemed to go over pretty well. After the show ended, I stayed on with Al and Kevin since it was our first time, and it was my birthday, too. The two guys decided I needed to get laid since I was turning the big 5-0. At first I pleaded to just go see a magic show but Kevin was insistent.

After I showered, the guys left the suite and told me

to have a good time. Right at ten Monique shows up. After a moment of formalities, I offer her a drink and we sit on the sofa overlooking The Strip. She wore a short black spaghetti strap dress with sequined trim. Classy, yet sexy, I thought. She had long brunette hair, long legs and medium boobs not bound in a bra.

As she sang me an abbreviated version of Happy Birthday, I poured a couple glasses of champagne and she toasted me and I toasted her. Then she whispered in my ear, "My panties are wet. I want you to fuck me hard tonight. I'm going to make you feel good and you're going to make me feel good, too." I couldn't believe what I just heard. She got off the sofa and dropped to her knees and started to unzip my pants. All the while she did this, she looked up at me. The anticipation was too much. I almost creamed before the zipper was down. She looked back down and freed my cock.

She opened her deliciously full lips and stuck her tongue out guiding the head in. The inside of her mouth was warm and moist and I groaned. Little by little, she swallowed me down. Soon, I was completely down her throat. She used her tongue in ways I had not felt in years. Hold-

ing the back of her head, I began to slowly fuck her mouth. I knew I wasn't going to last long this way so I pulled myself out. "I want to lick you," I said.

Monique stood up and turned around for me to unzip her dress. She turns back around and her beautiful boobs were in a beautiful black lace push-up bra. Her dress fell off her and she stood there with matching g-string. She pulled me off the sofa and undressed me. I went to the window and started to pull the curtains closed. "Wait, please leave them open. The neon lights made me hotter."

She came over and I could feel the heat coming off her body. I removed her black bra and I couldn't resist touching her perfect breasts. She purred like a cat as I did. Both her hands went down to my cock already throbbing hard. I pushed her back towards the sofa and she sat down on the edge and cupped her boobs, and licking one nipple then the other.

As I approached, she spread her legs and showed me her dewy pink and shaved pussy. She pulled apart her pussy lips and told me her clit was throbbing and I couldn't wait to taste her. I knelt on the floor between her legs and ran my tongue across her smooth mound. My tongue found its target and I licked and sucked as she moaned and sipped champagne. Even though her moans and climax didn't seem authentic, I didn't really care.

"Cum on, you birthday boy, it's time for your present," she said putting down her drink and getting off the sofa. "Your friends asked that I give you this," she said pulling a small vibe out of her tiny purse. She sat back down, grabbed my cock and pulled me over. She put it on the cockhead and it kinda stung at first, but then moved it down to my balls and it felt great. Then she took my cock in her mouth and moved the vibe deeper between my legs, touching my anus with it. I jumped a little forward, pushing my cock

deeper into her mouth.

When she was done, I sat up and Monique straddled me. By now I was rock hard and she was dripping wet, and my cock slipped inside her with relative ease. Her muscles twitched as they tightened around me. She put the vibe between us so it buzzed on her clit and at the base of my cock. Deftly she moved it around and began humping me harder. Then she gave it to me and told me to put it in her ass. I take the little buzzer and work it between her ass cheeks. She leans forward giving me better access.

I worked it into in her butt as her pussy worked on my cock. Little by little I felt the build. Then, without warning, vibe still in her butt, she's off me and drops down to her knees and with a couple well-timed jerks, takes my cum into her mouth as she cums at the same time. She swallows it all and slides up my body and whispers in my ear. "Happy Birthday, dearie."

There's nothing like a soft woman's tongue on my pussy. The feel of it is better than a man's and, for me, even better than fingers. It's more flexible, wetter tastier and all that good stuff. I wish the would make a toy as good as a tongue!

Yes, I was a flower child many, many years ago. Living in the Berkeley area and going to the University of California there, it was only natural (pardon the pun) to get into the hippy culture. There was an awful lot of pot smoking and a lot of sex. I tried guys and girls. I tried a couple guys and a few girls, and I even tried guys and girls together. While I'm a little more selective now, I haven't lost my urge to fuck and get fucked.

Now my daughter is at the same university and I've told her stories about my time there. We shared giggles and laughs with an undertone of caution. Things are just not the same. So now I have the whole house to myself and I can't wait to engage my gentlemen callers in my spectacular bedroom equipped with the latest and hottest toys. Yes, I read *Shades of Gray*. I have a copy next to the bed and tell my partners to read a couple chapters while I get ready. Then it's all in!

OUR SWIM CLUB WAS ONE OF THE BEST IN THE SOUTH. ALL THANKS TO RUTH. THANKS RUTH!

Ruth was the oldest member of our swim team. At 51, she could swim as fast as the twenty year-olds. Our club was called the Mighty Marlins and we competed all around the South, from Kentucky to Florida; the Carolinas to Texas. Since we are pretty good, we have a great group of sponsors that pay for all our trips and travel. We only pay for our meals, and that's okay because a lot of the members have crazy eating requirements. Ruth's a statuesque five-eight with short copped hair and a swimmer's body. Tight and tan for her age. A little small on top, but all that adds up to one svelte marlin in the water. Over the years, she has won the second most number of medals, after Ronald. Ruth would turn heads at every meet and everyone would talk about her. There wasn't a single male or female swimmer that didn't envy or respect her, but deep down Ruth was a fun and humble person. Ruth had worked hard over the ten years she's been competitive swimming, deservedly so.

The Might Marlins consisted of eight men and women swimmers and five divers, three women and two men. I'm the coach – and towel boy. A new male swimmer

will be joining the team in Kissimmee. Ronald was around thirty and used to work at the Atlantis Resort in the Bahamas. He's replacing Freddy J. who went on to be the swim team coach at Auburn U. Good luck Freddy J., good luck Auburn.

Ronald was in good shape by working out at the gym, and all the swimming. He had a good tan and would always have his iPad with him. His head was

shaved completely bald and his teeth glowed white against his tan. Jokingly, Ruth told me she thought he was too old for her. Besides she didn't like bald men. She had always been attracted to thin men with long hair who looked like they just stepped off stage from a rock stage.

After a couple weeks practicing together, we all began working again as a team, Ruth helped him focus on his technique and with a few

weeks his stroke had improved immensely. They became fast friends. And as so often happens on the swim club, becoming friends lead to so much more. It started one day when Ronald came to practice. He had obviously come straight from the gym because he was wearing a workout top and shorts. Ruth noticed

him as he walked past on his way to the locker room. Although Ruth saw him almost naked many times already, she still wondered what he was like totally undressed. She quickly put those thoughts aside and tried to act professional, not letting Ronald know that she had been staring at him wondering what it might feel like to have them wrapped around her.

The weeks passed by and the frequency of meets had Ruth and Ronald together continually. But he, like every other member of the team, just couldn't resist Ruth. He figured that their friendship and professional relationship might ascend to the next level with a little prodding. Ronald invited the team over to his house for a summer-ending pool party. He knew this was his opportunity to finally get Ruth and him together without trying to go out on a date. The party started off well. He made sure the bar was well-stocked and free drinks were served all night.

But by midnight, it was only two others and Ruth remaining. Ronald invited everyone inside but the two said they should be going. So that left just the two of them in the living room watching a movie. Ruth complained that she was a little chilly. Ronald invited Ruth to join him in the seat under the blanket he had over his lap. She figured it couldn't really hurt to sit there with him for awhile. She climbed up next to him and they both went back to watching the movie. Under the blanket Ronald slowly slid his hand down Ruth's taut belly and worked his way toward her bikini bottoms. Ruth spread her legs slightly for him before he even got past her belly-button. He slid his hand under her bikini bottoms and brushed his fingertips along her clean-shaven mound. He lightly flicked her clit a couple of times but couldn't resist the temptation to place a finger inside the hole that was radiating so much heat toward his hand. He pushed his middle finger inside her in one swift motion, and she was so wet there was almost no resistance. Ruth began rotating her pelvis around to match Ronald's probing strokes with his finger. Within minutes he had Ruth on the verge of orgasm. Ruth began to remove her bikini and once her bikini was off she embraced Ronald and

pulled him onto her in one motion. Soon she had them both naked and in a firm embrace their lips trying to quench the fires that had been stoking for months.

Ronald slowly kissed his way around Ruth's neck and ears. Then he worked his way down to her chest, spending several minutes on Ruth's firm nipples. He began moving down her tummy and softly kissed around her belly-button. He softly thrust his tongue inside her pussy, which brought immediate moans of approval from Ruth. She reached down to Ronald's clean-shaven head and pulled it in tighter, grinding

herself to the rhythms of Ronald's tongue. He then slipped a finger inside her, and curled the tip of his finger and put immediate pressure on Ruth's g-spot, and Ruth came instantly and violently. She locked her legs around Ronald's head and thrust her pussy against Ronald's tongue. She finally relaxed after one of the most intense orgasms she had ever had.

Ronald was a little surprised that Ruth had come so quickly as Ruth was panting and out of breath. Ronald worked his way back up so that their eyes were at the same level. He used his thighs to push Ruth's legs slightly farther apart and placed his now throbbing member against Ruth's soaking wet slit. Ruth tensed slightly with anticipation. She actually found herself a little concerned and wondered what Ronald would feel like. As Ronald pushed his cock into her, he was

very gentle. Ruth was so wet from her orgasm just a few moments earlier that Ronald was actually able to push in all the way with one stroke. Ronald could feel how tight Ruth was. It felt like having his cock caressed by a velvet vice. He took it slow at first so she could get used to the thickness. Ronald hadn't been with a woman this old before but he was pleased to find she still had a firm stomach and tight pussy. All the women of his age he'd been dating recently rarely had these attributes.

Ronald began to quicken his pace a little and suddenly he felt Ruth tense up under him, and was worried he was hurting her as he worked faster. He pulled back a little bit to give her some relief. At this moment Ruth

She gently pushed him over to the side, and to his delight, Ruth immediately straddled him and impaled herself on his rigid cock. She slid all the way down his shaft, and then began rotating her hips so that her clit was grinding at the base of Ronald's pubic bone. After only a few minutes, her body shuddered with a third orgasm. Ruth was in heaven. She had never come three times before. By now Ronald was absolutely rock hard. The sight of seeing this firm and fit fifty year old grinding herself to orgasm on his pole had him in a frenzy. He lifted her off of him and rolled her onto her back. He placed his stiff cock back against her slit and softly pushed back inside her. He began slowly at first but worked his way to full length thrusts after only a few strokes. He had Ruth lifting her legs off the bed with each successive thrust of his swollen shaft.

Just then Ruth had her fourth orgasm and reached back down and began furiously rubbing her clit as she almost doubled over into the fetal position due to the intensity with which she was cumming.

This only turned Ronald on all the more. He increased his pace as Ruth relaxed and attempted to wind down from her orgasm, but Ronald wouldn't allow it. He kept quickening his pace by sliding his cock in deeper and harder with each thrust. Ruth could feel another orgasm building inside her, and couldn't believe that this man was capable of doing this to her, or that her body had this potential all along. As Ruth burst into her final orgasm she could feel Ronald's cock swelling even larger inside

reached down with her right hand and began furiously rubbing her clit and wrapped both legs around Ronald thrusting him all the way back inside her. She was rocked by a second orgasm in minutes. She rubbed her clit firmly on his pubic bone as wave after wave of pleasure sent pleasure pulses through her body. Ronald's thickness intensified her orgasm and her pussy gripped him amazingly tight. Ruth just had two intense orgasms, unlike all the others in her life, within minutes of each other. Ruth began to wonder what she may have been missing during the last few years of her life.

her. After the last few electric pulses zipped through her body she knew Ronald was about to release his load. With one last deep thrust he slipped his cock out of Ruth's soaked pussy. Ruth reached up with her left hand and began stroking Ronald's throbbing cock to bring him to orgasm. Not holding back any more, he shoots load after load of hot steaming cum all over her stomach and chest. It seemed to go on, she thought. Then Ronald got up and got a towel to wipe their bodies down. In unison, they looked into each other's eyes and said, "Are you ready for a dip?" Both nodding, they jumped out of the chair and headed for the pool.

I have an open relationship with my husband. One time I met a lovely lady at the mall. I introduced her to my husband and he decided he would like to fuck her. I invited her over and she agreed. I sat on a big overstuffed chair watching them go at it. After they finished, I made us all dinner. The conversation around the dinner table was quite exciting.
